### Paris Must Have More Loyal Support of "Fans."

The future of the Paris baseball club as a matter of fact from the present outlook is problematical, but with the proper support the team will remain in the Blue Grass League the remainder of this season, and that support must be from now on if the "fans" of Paris would have the town represented in the organization. If the club continues it will probably be under a different directorate, and new men will likely pilot the affairs of the organization from now on.

A meeting of stockholders was called by President Bacon for Wednesday night, but few were present to discuss plans to increase interest in the game, with the view of keeping the team in Paris. President Bacon presided at the meeting, and expressions from the very few of the number of stockholders were heard in regard to the best plan upon which to proceed.

In the opinion of Mr. Bacon the club was hopelessly in debt with no visible relief, and he advised that the club discontinue in the Blue Grass League with July 1. The opinion of the majority of those present differed widely with that of Mr. Bacon, and it was practically agreed to continue until a greater number of the stockholders could be gotten together and the matter more fully discussed. Consequently it was decided to call a meeting of the stockholders to meet at the court house Monday afternoon, July 1, at 2 o'clock, when it was hoped to get together a large per cent of the stockholders in the club.

In the meantime an effort is being made to raise funds to meet the deficit which is in the treasury, and which on the first of July will amount to approximately \$1,600. Dr. Wm. Kenney and Mr. William Shire, Secretary of the club, were engaged yesterday circulating a subscription paper and to last night an amount reaching \$500 had been subscribed to the fund to wipe out the deficit.

It is probable at the meeting to be held Monday night an expression of the stockholders will be taken looking to a successor to President Bacon and Secretary Shire expressed himself yesterday as being desirous of being relieved of the duties of that office, not because of a lack of interest in the affairs of the club, but he is of the opinion a change might to some degree have the effect of reviving interest.

There has been much done toward strengthening the club in the past few days. Catcher Hicks joined the team at Frankfort yesterday and a contract was closed with Ollie Chapman Wednesday night. He will arrive in Paris today to take part in the game with Lexington. First baseman Mullen, late of the United States League, will join the Bourbonites Saturday. The three new players are well-known to Paris fans and will add considerable strength to the team.

It is the sincere hope of those at the head of the club at present to have a full attendance of the stockholders Monday afternoon and many matters will be gone into that are calculated to be of great benefit to the club and to have the effect of keeping the team in the league the remainder of the season.

In other towns throughout the circuit it has been an annual custom to pass around the hat to keep the team in the going. True admirers of the game contribute freely because of their desire to have a team for the sport there is in it and the same should be said of the Paris fans in the hour of adversity. This is the first time since the team was organized that Paris fans have been called upon to render financial assistance, and a sufficient amount should be subscribed to tide the club over the remainder of this season.

There are a large number of the true sportsmen in Paris who feel the same as those of other cities and are willing to untie their purse string to keep the club out of the rut.

NOTICE.—All persons having any account or claim against the Paris Electric Light Company, Incorporated, are requested to present the same at once as this company will discontinue its corporate existence on July 12th, 1912.

JULAN R. HOWE,  
Secretary.

### Bourbonites Shut Out the Lawmakers.

Paris took a brace yesterday and administered a shut-out to the Lawmakers, final score being 7 to 0. The work of the Bourbonites is very encouraging in the face of the fact that this is the first game they have defeated Frankfort this season and should have the effect of bringing out a large crowd this afternoon to witness the contest between the local aggregation and the Lexington team at White Park. Ollie Chapman, the old Paris favorite, will be in the line-up this afternoon.

With Richmond three runs to the good rain stopped the game here Tuesday afternoon between Paris and the Pioneers. The score stood 4 to 1 when the rain began to fall, and the game was called.

The Bourbonites went to Frankfort, Wednesday, where they met the Lawmakers, and suffered defeat again at the hands of the League leaders. The local boys could do nothing with the curves of Cornell, and the best they could do was to score three runs in one inning. During the nine sessions the Lawmakers piled up a score of eight runs. Applegate and Hauser were on the mound for Paris, but with Cornell pitching well the lead of three runs taken in the third inning could not be overcome. In four and two-third innings Hauser held them to three hits and they were unable to count while he was on the rubber.
